

ATTENTION VENDORS

it's what's inside that counts

Dick's Sporting Goods is **modifying its New Product Set-Up Process** to include a Regulatory Compliance Assessment.

This Regulatory Compliance Assessment will allow Dick's Sporting Goods and its vendors to better manage regulatory compliance responsibilities and alleviate the shared and costly exposures of non-compliance.

DO YOU SUPPLY DICK'S SPORTING GOODS WITH ANY PRODUCTS IN THE FOLLOWING CATEGORY TYPES?

IF THE ANSWER IS **YES**, DON'T DELAY

You must register your products and formulations in WERCSmart.*

Chemical-containing products:

- corrosives
- adhesives
- cleaners
- nutritional supplements
- detergents
- personal care products
- paints
- household products
- flammables (pesticides, air fresheners, etc.)
- solvents

Light Blubs:

- incandescent
- neon
- fluorescent

Food Products:

- cooking oil
- energy bars
- vitamin drinks

Batteries:

including products containing a battery

Products dispensed by aerosol or bag-on-valve method

Electronics containing a circuit board or flashing lights

VENDOR PARTICIPATION IS MANDATORY

REGISTRATION

NEW PRODUCTS

Registration starts 9/15/2015.

Includes Domestic and Private Brands.

Buyers will be unable to issue Purchase Orders unless relevant products are registered in WERCSmart.

EXISTING PRODUCTS

must be registered no later than 10/15/2015.

To learn more about this mandatory compliance initiative see the reverse side for details.

*To help us manage regulatory compliance requirements, Dicks Sporting Goods, has selected the WERCSmart Solution offered by UL information & insights | The WerCS. This solution is used by many major U.S. -based retailers.

WHY I AM REQUIRED TO DO THIS?

Together, we must better manage the regulatory compliance responsibilities that we have, and reduce the shared and costly exposures of non-compliance. In order to do this, we must better understand the composition of the products we offer to consumers. Your participation in WERCSmart provides us with the consistent and accurate safety information we need. As a supplier of consumer products subject to these regulations, your participations in this initiative is mandatory

HOW DO I REGISTER MY PRODUCTS?

Go to www.supplierwercs.com to register your products, create a WERCSmart account, review Frequently Asked Questions, AND sign up for a FREE one-hour training webinar.

WHO CONDUCTS THE ASSESSMENT OF MY PRODUCTS?

UL information & insights | The WerCS has more than 30 years of experience in providing tools and services that support the authoring, management, and distribution of SDSs on a global level. Throughout all of the services offered by The WerCS, confidentiality and security are paramount.

WHAT HAPPENS IF I DO NOT REGISTER MY PRODUCT?

For existing products: Dick's Sporting Goods will assess a fee of \$1000 per unregistered product, to any vendor who has not registered all relevant products by 10/15/2015.

For new items: Buyers will be unable to issue a Purchase Order unless a relevant product is registered with WERCSmart.

SUPPORT CONTACTS: HAVE A QUESTION REGARDING WERCSmart?

Use the Support or Chat links available on the WERCSmart site www.supplierwercs.com. Chat support is available during regular business hours, 8:00 a.m. to 5:00 p.m. Eastern Standard Time. E-mails are available to you 24/7. The WerCS will respond to e-mail inquiries within 24 hours. Have a question regarding the requirement related to the WERCSmart program or process? E-mail compliance@dcs.com.
